1. Your Combined Average Monthly Balance (CAMB) is the summation of the End of Day Available Now balances for all Eligible Deposit and Investment account(s) (EDI) across a calendar month divided by the number of days in that month. CAMB is based on the calendar month and is not tied to Your Statement Period. Only certain account types qualify as EDI accounts and you must be the owner (or beneficial owner) of an EDI account for it to contribute toward your CAMB. All of the EDI accounts contributing to your CAMB may not appear on this Account Statement. Some accounts that appear on this Account Statement are not EDI accounts. Please call us to learn which EDI accounts you own that contribute to your CAMB .

Eligible Family Members who live at the same address can choose to link their EDI accounts creating a Family CAMB range. Please see definition of Eligible Family Members in the Family Link section of the Client Manual Agreement. Retirement accounts have different rules for Family Linking than other EDI accounts. You may invite or be invited by Eligible Family Members (Members) to Family Linking. Starting in the first month existing deposit customers who are Eligible Family Members ("Members") successfully join or create a Family Link, their family CAMB will include EDI accounts they own along with EDI accounts owned by Members. If you were converted to a Legacy Relationship along with owners of accounts in your Package(s) pursuant to separate notice which provided the Effective Date of that conversion, similar to Family Linking the CAMB for Members in Legacy Relationships will include all EDI accounts they own along with EDI accounts owned by Members. Your family or legacy relationship CAMB may be higher than your individual CAMB, entitling you to join a Relationship Tier or different Relationship Tier. If you no longer want to be a member of Family Linking or a Legacy Relationship or no longer qualify for Family Linking or Legacy Relationships, speak to a banker on the phone or in a branch. Please see the Client Manual Agreement for more information on Family Links and Legacy Relationships.

2. Your Relationship Tier status will determine your Annual Percentage Yield for Citi Savings accounts (but not other Savings accounts) and may impact your eligibility for Monthly Service Fee and Non-Citi ATM waivers, along with other fees, features and benefits. Customers who did not own a Citibank checking, savings, CD, IRA, or investment account (investment accounts are offered through CGMI) in the 30 calendar days prior to opening their new EDI account ("New to Relationship" customers) may choose their Relationship Tier when opening the new EDI account. Re-Tiering will begin reviewing New to Relationship customer CAMB in the first full month after account opening, but it takes three months of sustained Balance Ranges for an Up-Tiering or Re-Tiering Out change. Unless a Tier exception applies, customers are Re-Tiered automatically on the first calendar day of the month. Through Re-Tiering, if an existing customer CAMB range meets the minimum Balance Range required for a higher Relationship Tier for three consecutive calendar months, they will automatically be Up-Tiered. If an existing customer wants to maintain their Relationship Tier, they need to make sure their CAMB does not drop below their Relationship Tier's minimum Balance Range for three consecutive calendar months.

You may be able to join Relationship Tiers faster and maintain Relationship Tiers by enrolling in Tier Acceleration. For three months after enrollment, Citi will review your "End of Day" balances on the last Business Day of the month across all EDI accounts you own ("EOD Balance"). Your EOD Balance is your Available Now Balance across eligible deposit and investment accounts at 10:30 p.m. EST. If your EOD balance meets the Balance Range for the same or a higher Relationship Tier on one or more eligible months, you will join that Relationship Tier on the first day of the next calendar month.

Your individual Account Statement will show both your current monthly Relationship Tier and up to 3 months of CAMB and Relationship Tier history.

*Important: When customers own accounts as Joint Owners, the Relationship Tier associated with their account will be determined by the highest Relationship Tier among joint owners. The CAMB shown on a joint Account Statement will show the highest CAMB range among account owners.*

*Important: On statements, Joint Account owners will see the highest balance range of CAMB and highest Relationship Tier among Joint Account owners. Family Relationship members will see the Family CAMB range. Members in a Legacy Relationship will see the Legacy Relationship CAMB range. . As a result, Joint Account owners, Family Linking members, and Members of Legacy Relationships may be able to deduce approximate balances of other owners and members. When deciding to open a Joint Account, join a Family Linking, or remain in Legacy Relationships, customers should evaluate their privacy needs, along with their need for rate and fee advantages.*

4. Citibank generally charges fees for its products and services. Deposit accounts are subject to service, transaction or other fees not covered by the Monthly Service Fee. For a complete list of applicable fees and to learn the impact of Relationship Tiers on those fees, please visit the Fee Schedule of the Client Manual Agreement. Please also carefully review any fee disclosures provided at the time of a transaction or when a service is provided, such as when you open a Safe Deposit Box or order checks.

### Electronic fund transfers (For Consumer Accounts Only. Commercial Accounts refer to the Commercial Bank Services Agreement.)

Services such as Bill Payments and Zelle® are subject to the terms and conditions governing those services, which may not provide an error resolution process in all cases. Please refer to the terms and conditions for those services.

In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, IMMEDIATELY call 1-844-487-8478 or write to:

Fraud Management  
P.O. Box 1014  
Charlotte, NC 28201

Tell us as soon as you can, if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and deposit account number (if any)
- Describe the error or transfer you are unsure of, and explain as clearly as you can why you believe it is an error or why you need more information
- Tell us the dollar amount of the suspected error

If you tell us orally, we may require that you also send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you, and we will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or questions for ATM transactions made within the United States and up to ninety (90) days for new accounts, foreign initiated transactions and point-of-sale transactions. If we decide to do this, we will re-credit your account within ten (10) business days for the amount you think is in error, minus a maximum of \$50. If we ask you to put your complaint in writing, and we do not receive it within ten (10) business days, we may not re-credit your account and you will not have use of the money during the time it takes us to complete our investigation.

Tell us AT ONCE if you believe your access device has been lost or stolen, or someone may have electronically transferred money from your account without your permission, or someone has used information from a check to conduct an unauthorized electronic fund transfer. If you tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, you can lose no more than \$50 if someone makes electronic transfers without your permission.

If you do NOT tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, and we can prove we could

have stopped someone from making electronic transfers without your permission if you had told us, you could lose as much as \$500. Also, if your periodic statement shows transfers you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after sixty (60) days if we can prove we could have stopped someone from taking the money if you had told us in time.

### Important information about your Truist Ready Now Credit Line Account

Once advances are made from your Truist Ready Now Credit Line Account, an INTEREST CHARGE will automatically be imposed on the account's outstanding "Average daily balance." The INTEREST CHARGE is calculated by applying the "Daily periodic rate" to the "Average daily balance" of your account (including current transactions) and multiplying this figure by the number of days in the billing cycle. To get the "Average daily balance," we take the beginning account balance each day, add any new advances or debits, and subtract any payments or credits and the last unpaid INTEREST CHARGE. This gives us the daily balance. Then we add all of the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average daily balance."

### Billing Rights Summary

#### In case of errors or questions about your Truist Ready Now Credit Line statement

If you think your statement is incorrect, or if you need more information about a Truist Ready Now Credit Line transaction on your statement, please call 1-844-4TRUIST or visit your local Truist branch. To dispute a payment, please write to us on a separate sheet of paper at the following address:

Card and Direct to Consumer Lending  
PO Box 200  
Wilson NC 27894-0200

We must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the error or problem appeared. You may telephone us, but doing so will not preserve your rights. In your letter, please provide the following information:

- Your name and account number
- Describe the error or transfer you are unsure about, and explain in detail why you believe this is an error or why you need more information
- The dollar amount of the suspected error

During our investigation process, you are not responsible for paying any amount in question; you are, however, obligated to pay the items on your statement that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount in question.
